The Setting

Forest Hall is located at Hopkins Demonstration Forest, a 140-acre woodland that hosts many educational activities, workshops, field studies, and community forestry days. The building boasts vaulted ceilings and large windows overlooking the serene forest setting.

During your meeting, you can enjoy a walk on one of the 5-miles of hiking trails that crisscross the property. There you may catch a glimpse of deer, birds, and a variety of plant life.

- 2,100 sq. ft. building in a breathtaking forest setting
- Located minutes south of Oregon City with close proximity to Portland
- Beautiful view of the valley
- Quiet and secluded
- 75-space parking lot with paved handicap access to the building
